

Dear Friend –

Current Builders is pleased to be participating in our 4th Annual Toys for Tots bike drive. Last year as many of you know, through your generosity we exceeded our 100 bike goal and were able to purchase 200 bikes and \$3,000.00 in games and toys.

In the spirit of spreading goodwill, we have decided this year to apply half our donations to toys for tots and the bike program and the other half of our donations to "Mom 4 R Marines". Mom 4 R Marines is a 100% volunteer organization that supports our troops as well as their families. This year they are offering stockings to be sent to our troops overseas filled with Energizer Headlamps (this item is their all time favorite) Dr Scholl's WORK boot insoles (I have been told they make their feet happy), a cigar (with their battalions logo on the band), holiday candy, handheld games, Harmonicas (this item provides them a means to take their minds off of combat, on the little down time they have) one time use camera's, a great weapon wipe, which repeals sand from sticking to their weapons. All these items and much more will be packaged in a very special Marine Corps Digital Sand Cammie stocking.

Join me and helping those a little less fortunate and those who protect and serve our country. Any donation amount is greatly appreciated and worth the smile of a child receiving a bike or a soldier receiving a stocking filled with the simplest items to make their life a little easier. Next time you're by our office please feel free to make a cash donation or you can make your check payable to: CB Constructors, Inc., (in the memo section of your check put Toys for Tots/Mom 4 R Marines).

Chip Reid and the staff of Current Builders
